Tornado in Apex Community Park, Apex, NC, USA

On May 15, 2024, at approximately 6:30 PM EDT, a sudden, fast-moving EF-1 tornado struck Apex Community Park in Apex, NC, directly impacting multiple little league baseball games in progress. The event caused a mass casualty incident with numerous traumatic injuries to players, coaches, and spectators, alongside significant structural damage to park facilities, downed power lines, and widespread debris. The scene is chaotic with widespread panic and initial reports indicate overwhelmed emergency services attempting to gain access.
